SEPTEMBER MESSAGE

"Finding Our Pace"

I hope the turn of the calendar finds each of you doing well. I want to commend our faculty and staff on one of the best openings and beginnings that I have been associated with. Our teachers and students have been very flexible with all the changes and accommodations that have to be made in order to house the largest student population that has ever walked these halls. We can only hope for relief that is in progress will come sooner than later.

As we are settling into our pace, I have been extremely impressed with the spirit that so many of our students have come to school with. The spirit of learning, the spirit of excellence, and the spirit of school pride has been revealed over and over. This is one element that you always wonder about and is critical to the success of any school or organization for that matter. I can only hope that we maintain the pace and focus that we have begun with. If we can continue, we may be headed for a banner year.

September means that we will be fully enveloped in school activities. We have some special events planned and this should be an awesome month with lots to look forward to. We want to wish all the best to our teams and support groups that will be representing us over the course of the next few months. I want our students to understand that what
